VERENA PIRCHER

"In my approach to any aspect of my work, I'm drawn to collaborative processes that push the boundaries of what we think we know—toward alternative ways of sharing dance. I believe in contributing to each other's processes, fostering a nurturing environment where we can grow sustainably and equitably, side by side, yet intertwined in our love for some bold moves on and off the dance floor."

DOB: Nov 14th 1992
